About YNOT

The Youth Network of Tasmania (YNOT) is the peak body for the non-government youth sector in Tasmania.

YNOT is a not for profit, member-based organisation representing the interests of young people aged 12-25 years and the Tasmanian youth sector. We are funded by the Tasmanian Government, Department of Premier and Cabinet, to improve the Tasmanian community's response to youth issues by:

- Involving young people and service providers in identifying and responding to youth issues
- Developing coordinating mechanisms across the youth sector
- Providing advice to government, decision makers and organisations on youth affairs.

Our Vision

A Tasmania where all young people are valued and can achieve anything.

YNOT aims to drive positive change with young people and the youth sector.

Why sponsor the YNOT 2025 Youth Sector Symposium?

This exciting Symposium will have a range of inspiring speakers presenting on thought provoking topics, small group work, networking opportunities and exhibitions.

We will examine new ideas and best practice approaches, learn about evidence-based practice and hear about Tasmanian Government initiatives relevant to the youth sector.

The symposium presents an exclusive opportunity for workers connected with the youth sector in all areas of the state to spend a day dedicated to thinking and talking about their vital work.

The inaugural symposium held immediately following the COVID emergency in 2021, attracted more than 100 delegates and proved this event is a must for everyone working in the youth sector.

The opportunity to sponsor this essential event provides the benefits of:

- Supporting vital work with and for young people in our communities
- Brand association with the state's community sector and its workforce
- Access to 130+ workers throughout pre-event promotion activities, on the day and in follow-up messaging to delegates
- Focused access to Tasmania's largest and fastest growing workforce

Join the Symposium Exhibition

As an exhibitor, you have the opportunity to showcase your organisation's work, services and products throughout the entire day.

The exhibition space is immediately adjacent to the Symposium room. It is also the same room where all participants will enjoy morning tea, lunch and afternoon tea. This means all exhibitors will have ample time for networking and promoting the work of your organisation during generous breaks in the program.

It's a great opportunity to show your support for youth sector workers and the wider youth and community sector. It also gives you a chance to network and connect with delegates in that way that suits your business best.
